**George Wilsey's "True Story" Column**

Driving across California, we

stopped at a red light in a beautiful old western town. As I admired the elegant storefronts and beautiful scenery, I didn't notice that the light had turned green and back to red again. It was then that a police officer tapped on my window and said, "That's all the colors we got here."

*-Yefim Brodd, Tacoma, Washington*

The owner of my golf course was confused about paying an invoice, so he decided to ask his secretary for some mathematical help.

He called her into his office and said, "You graduated from Florida State and I need some help. If I were to give you \$20,000, minus 14%, how much would you take off?" The secretary thought a moment, then replied, "Everything but my earrings."

On a rural road a state trooper pulled this farmer over and said: "Sir, do you realize your wife fell out of the car several miles back?" To which the farmer replied: "Thank God, I thought I had gone deaf!"
