HOST A PLAY DAY

For the past 14 years, Nickelodeon's Worldwide Day of Play (WWDaP) has devoted an entire day to the celebration of physical fitness and active play. As part of the company's outreach efforts to make the world a more playful place and commitment to health and wellness, Nickelodeon takes its programming off the air to reinforce one simple

message: Get up, get out and go play.

This year's WWDaP will be celebrated across Nick platforms on September 30. Nickelodeon invites Kiwanis clubs to host a Worldwide Day of Play event in their communities. If you register on day-of-play.com, Nick will acknowledge your club on air when the network resumes its broadcasts.

Today is dedicated to the whiskey sour. Whiskey sours usually consist of whiskey, lemon juice, and sugar, and are garnished with an orange slice and maraschino cherry. They can be served straight up or over ice. Variants of the whiskey sour include the Boston Sour, where egg whites are added to the standard recipe, and the Ward 8, which consists of bourbon or rye whiskey, lemon and orange juices, and grenadine.

Variations of the whiskey sour may have first been mentioned in 1862, in Jerry Thomas' book *How To Mix Drinks, Or, The Bon Vivant's Companion*. The first recorded mention of the "whisky sour" in print was in the *Waukesha Plain Dealer* in Waukesha, Wisconsin, in 1870. But, still another story claims that Elliot Stubb, a ship steward, invented the whiskey sour in 1872. Regardless of who can claim its invention, the whiskey sour is an important and enduring cocktail that deserves its own day.

National Whiskey Sour Day is being observed today! It has always been observed annually on August 25th.

Everyone at convention raise a whiskey sour and toast those of us at home. And, we will raise our glasses to you as you represent the Kiwanis Club of Sunshine City.
