George Wilsey's "True Story" Column

International Joke Day falls on July 1, a day for laughter and gags. Here are a few jokes for our international travelers in July.

I'll tell you what I love doing more than anything: trying to pack myself in a small suitcase. I can hardly contain myself.

'My phone will ring at 2 in the morning, and my wife'll look at me and go, "Who's that calling at this time?" "I don't know! If I knew that we wouldn't need the bloody phone!" '

'I said to this train driver "I want to go to Paris". He said "Eurostar?" I said, "I've been on telly but I'm no Dean Martin". '

' I swear, the other day I bought a packet of peanuts, and on the packet it said "may contain nuts." Well, YES! That's what I bought the buggers for! You'd be annoyed if you opened it and a socket set fell out!"'

A lorry-load of tortoises crashed into a trainload of terrapins, What a turtle disaster

'A priest, a rabbi and a vicar walk into a bar. The barman says, "Is this some kind of joke?" '

'Four fonts walk into a bar the barman says "Oi - get out! We don't want your type in here" '

'There's two fish in a tank, and one says to the other "How do you drive this thing?" '

'A woman has twins, and gives them up for adoption. One of them goes to a family in Egypt and is named 'Amal.' The other goes to a family in Spain, they name him Juan'. Years later; Juan sends a picture of himself to his mum. Upon receiving the picture, she tells her husband that she wished she also had a picture of Amal. Her husband responds, "But they are twins. If you've seen Juan, you've seen Amal." '

'A man walks into a bar with a roll of tarmac under his arm and says: "Pint please, and one for the road." '

'Dyslexic man walks into a bra...'
