Getting to Know You

Jean Levi was born in a small town in Indiana, Kendallville, and is the youngest of 5 children. She graduated from ISU with degree in textiles and closing. She has two children, Kimberly 33 and Daniel 30. She's had three careers, Retail Management, Insurance (where she hold top three certifications), and Banking. Because of these careers, Jean has lived in 8 states.

When asked what her hobbies are, Jean said her interests have changed with every stage of her life. She was part owner in a hot air balloon in Indiana and became a chase crew chef. She went on to crew for two of the largest balloons in the world, the *Bimble* from Germany and the *Witch* from South Dakota, USA. She and her family was involved in the Albuquerque Balloon Fiesta for over 10 years. Until recently, Jean has always had motorcycles and belonged to Goldwing club from Tampa. Other interests include golfing (had a hole in one several years ago) and bowling She is on a league now with a 143 average. Jean bowled with the ISU bowling team for a summer league. They wanted to practice and they needed my handicap. During that league, she had a 298 score. Probably would have been a 300 but Lefty (from the team) offered me a case of beer if I got the last strike and she got nervous. Jean has tried her hand at water and snow skiing and did not like either one. "I don't see any reason to balance on skinny little board and sail down a hill. I fell down a lot. If I am invited to either again, I will be the one waving from the boat or the lodge." She likes white water rafting and has been on 4 and 5 level rapids. She tried sky diving one time and was trying to figure out on the way down how to not hit the ground.

I see my future passion with Kiwanis. From the beginning, I fell in love with the organization that wants to change the world one child at a time. Kiwanians look at the world as a place to make better.

Jean says her club has shown compassion, patience, understanding and joy to her in her short time with them.

Great club within a great organization.

Ronald McDonald House Breakfast Report

Sunshine City Kiwanis had another great Saturday morning Cooking at Ronald McDonald East.

Ed Lillich purchased and delivered the food to be prepared by Sunshine City members. Jim Humphries purchased and delivered the necessary hardware.

We had a total of 8 Kiwanis members working this morning. At Ronald McDonald East we cooked breakfast for approximately 50 family members occupying 25 rooms. At Ronald McDonald west we cooked breakfast for approximately 9 family members occupying 4 rooms.

Henry Tenbrink & Larry Sousa cooked many pounds of bacon. Erik Crawford cooked sausage and assisted Don Knowles with the serving line setup. The old "pancake flipper" Kenny Alderman cooked the pancakes. Richard French cooked dozens of scrambled eggs. Erik Crawford cooked the sausage and helped with clean-up. Upon completion of cooking at the East house Don Knowles delivered the prepared food and utensils to Ronald McDonald West. Everyone assisted in cleaning up the area upon termination at Ronald McDonald east.
