In 2016, the nearly 80-year-old Kiwanis International Foundation took on a new name. Today, the “Kiwanis Children’s Fund” continues to connect the Kiwanis family to our ultimate purpose: serving children.

...initiatives that serve children through five specific causes: • Service Leadership Programs • Disaster relief • Club and district service projects • The

Eliminate Project • Iodine deficiency disorders

### THE ELIMINATE PROJECT

In 2010, Kiwanis and the Children’s Fund teamed with UNICEF to eliminate maternal and neonatal tetanus from the face of the Earth. At that time, MNT was considered a threat in 39 countries. Today, only 15 countries remain on that list. In 1987, more than 800,000 babies were dying of tetanus every year. By 2015, that number had been reduced to 34,000.

[read more about the Kiwanis Children’s Fund impact in the April/May edition of Kiwanis Magazine. If you can’t find your printed copy, it is online at <http://www.kiwanis.org/docs/default-source/kiwanis-magazine/ki-0418.pdf>
