## Kiwanis International News

Policy revisions adopted by the Kiwanis International Board October 6, 2018 • Adopted a new interpretation of the Kiwanis International bylaws to clarify that the term “shall have served” means serving more than one-half of the term. • Amended Policy B.23 to agree with the bylaw amendment adopted at the 2018 Kiwanis International convention providing that a person cannot be endorsed as a candidate for Kiwanis International Trustee until they are Immediate Past Governor. • Amended Policy F.1 to provide that the members of the Kiwanis International Board shall also be the members of the Kiwanis Youth Programs Board. Key: Deleted text is crossed-out (text). New text is underlined (text). NEW BYLAW INTERPRETATION PREREQUISITE SERVICE IN OFFICE Article XI, Section 3, states, in part: “...and the members of the Board of Trustees shall have served as a district governor at least two (2) administrative years prior to assuming a Kiwanis International office.” Article XVIII, Section 3a(4) states, in part: “The candidate shall have served as an immediate past district governor prior to announcing his/her candidacy to Kiwanis International.” Interpretation – The term “shall have served” shall be interpreted to mean that a person must serve more than one-half of the usual one-year term in the stated prerequisite office in order to qualify as a candidate. (10/2018) POLICY B. INTERNATIONAL ADMINISTRATION 23. Endorsement of Candidates for Kiwanis International Offices a. Per the Kiwanis International Bylaws, all candidates to be elected at the Kiwanis International convention. including those for President-Elect and President. must be endorsed by their district house of delegates. (10/17) b. District endorsement does not apply to persons appointed to fill vacancies in Board offices. (10/17) c. All candidates are requested to advise the Executive Director in writing of their intentions to run on or before October 1 of the administrative year during which the election will be held. However, as provided in the bylaws, qualified candidates have the right to announce earlier or later. (10/17) d. Governors who wish to be candidates when they are immediate past governor for Kiwanis International Trustee in their first year of eligibility should must secure district endorsement while they are Immediate Past Governor. (Per the Kiwanis International Bylaws, they may not secure endorsement while Governor.) However, informing Kiwanis International of such endorsement shall not be considered effective until October 1 when the candidate becomes Immedi-

ate past governor. (10/17) Revised text reads: Governors who wish to be candidates for Kiwanis International Trustee in their first year of eligibility should secure district endorsement while they are Immediate Past Governor. (Per the Kiwanis International Bylaws, they may not secure endorsement while Governor.) (10/17) e. District house endorsement shall take place at the an annual or special district convention immediately prior to the administrative year of the held within twelve (12) months preceding a candidate's announcement to Kiwanis International to run for office, provided the candidate is qualified to secure endorsement at that time. (Example: A candidate planning to announce Oct. 1, 2018, to run at the 2019 Kiwanis International convention must be endorsed at the district's annual convention held during the 2017-18 administrative year or may be endorsed at a special convention called during 2018-19.) Districts are encouraged to use the endorsement resolution template provided by Kiwanis International. (10/17) Revised text reads: District house endorsement shall take place at the an annual or special district convention held within twelve (12) months preceding a candidate's announcement to Kiwanis International, provided the candidate is qualified to secure endorsement at that time. Districts are encouraged to use the endorsement resolution template provided by Kiwanis International. (10/17) f. District endorsement shall be considered effective only for the office and election year stated in the endorsement. Endorsements may not be made for future years and shall not be considered valid after the administrative year of the stated election. (10/17) g. If necessary due to timing constraints and if pre-approved by Kiwanis International, districts may endorse candidates for more than one election. (10/17) h. If a district board believes the district has circumstances which make it impossible for its house to endorse a candidate, the Kiwanis International bylaws allow that the district board may petition the Kiwanis International Board to allow the district board to make the endorsement. In such cases, endorsement may only be given by the district board in authority during the administrative year during which the election will be held. (Note that the word "petition" refers to a formal written request, but not one with multiple signatures.) (10/17) The Kiwanis International Board shall determine whether a circumstance is considered "impossible." Such circumstances are extremely rare. and do not include The following examples probably would not qualify. (10/17) • Emergency conditions that require cancellation of the district's scheduled annual convention. Instead, the district should follow its district bylaws to hold a makeup convention or district council where proper endorsement may and should take place. • A candidate doesn't decide to

run until after the district convention takes place. • The candidate or the district believes it is easier, for any reason, to secure district board endorsement. • Any assumptions related to the timing of endorsement and announcement that have not been verified in advance with Kiwanis International. (10/17) i. Districts may not endorse more than one candidate for the same office at the same election. (10/17) j. Candidates may not campaign outside their own districts until the beginning of the administrative year during which the election will be held. (10/17) k. The Executive Director is charged with determining all questions related to candidates, in accordance with the spirit of existing provisions in the bylaws and policies and may consult the International President and/or Campaign Ethics Committee as he/she deems advisable. However, in all cases, the Kiwanis International Board has the final authority to decide any questions related to candidates. (10/17) POLICY F. KIWANIS INTERNATIONAL SUBSIDIARIES (1/17) 1.
