Fines

April 12—Jean Levi was fined for her phone going off during the board meeting. Cicely Wulff had a happy dollar that David Morris is going home Sunday. Richard French was fined for picking Allen Yergovich for the 50/50 raffle. Barbara Wagner tried to reuse her happy dollar for last week (that she had a great visit with her nephew and his wife). Pat Harden had a happy dollar for her grandkids. Bill Knowles had a happy dollar that everything has come together for casino night. Bill Knowles also had a joke for us. Anne Rogers had a happy dollar for Casino Night. David Morris had a happy dollar that he gets to go home. Jan Merrick had a happy dollar because now she wants to move in with Cicely after the rockstar treatment David got. Ed Lillich had a happy dollar for the Rays. Ed Morris and Larry Sousa praised Bill Knowles for his hard work on Casino Night. Sharon Iacangelo was fined for laughing at others' misfortune. Don Knowles was happy he won't have to hear from Bill Knowles every week. We all had a happy dollar too for the hard work of Sandi Anders and Susan Sousa for Casino Night. Allen Yergovich was happy he won the 50/50. George Wilsey was fined for the board having to put together a collection for new hearing aid batteries. Vickie Waller had a sad dollar because Cooper doesn't sleep as well during the night as he does during our club meetings. Jack Bowman was fined for being a pain in the butt. John Anders paid a fine because if it was not for bad luck, he would have no luck at all. Kenny Alderman had a happy dollar that he is not John Anders.

CHILDREN'S FUND

At the Kiwanis Children's Fund, we're passionate about serving the children of the world. **As a Kiwanian, so are you.** We're proud to share some of the inspiring projects made possible because of generous members like you:

In Nepal, some children arrive at school hungry and with nothing to eat. But the Kiwanis Club of Kathmandu City is using a Children's Fund grant to help **provide nutritious lunches** to all its students.

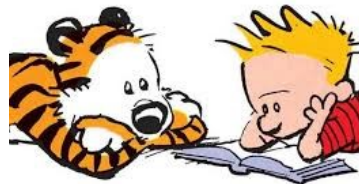

For homeless families who have lived through abuse and trauma, a grant is helping the Tacoma, Washington, Kiwanis Club provide **a safe place** with a new play structure at a local shelter.

In Sudan, 91 percent of newborns are vulnerable to brain damage because their mothers haven't been able to consume enough iodine. In February, the Children's Fund granted **US\$200,000 to UNICEF** to improve this country's dangerously low salt iodization levels.

Every day, Kiwanians make a difference in children's lives. **Thank you.**

Easter Jokes and Puns

Where does Valentine's Day come after Easter?
In the dictionary

How does the Easter Bunny stay healthy?
Eggs-ercise, specifically hare-obics

How many Easter eggs can you put in an empty basket?
Only one—after that it's not empty anymore!

Why did the Easter egg hide?
Because he was a little chicken.

Where does the Easter Bunny study medicine?
Johns Hopkins

Where does the Easter Bunny like to eat breakfast?
IHOP

What do you call a bunny with fleas?
Bugs Bunny

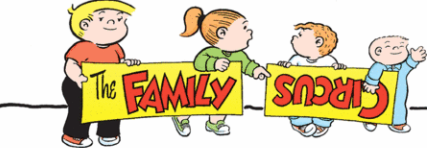

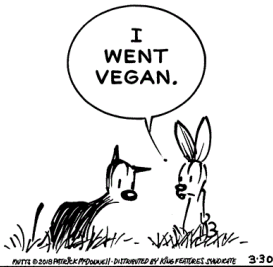

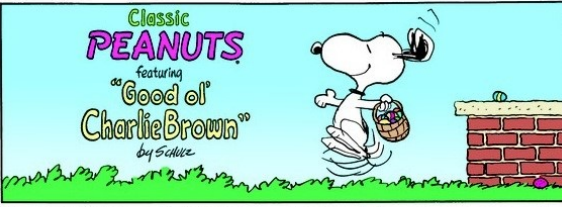

What do you call a line of rabbits jumping backwards?
A receding hare-line

How can you tell which rabbits are oldest in a group?
Just look for the gray hares

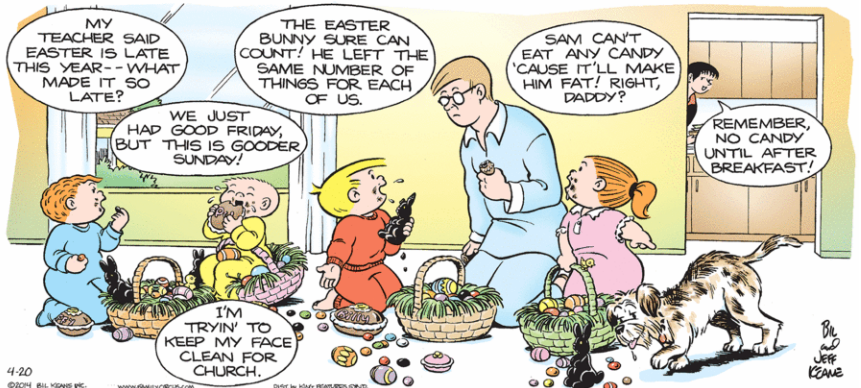

Why can't a rabbit's nose be 12 inches long?
Because then it would be a foot!

I was going to tell you a joke about an egg, but it's not all
it's cracked up to be.
