Directions for Living

Invocation for the Day

On this Friday the 13th, it is, perhaps, most appropriate for us to pray from the prayer of Jesus, "save us from temptation and deliver us from evil." We serve the children. May the children fear not the terrors of this world. May our club be a place of safety, security and peace for those we serve and for our Kiwanis members. May our food be blessed to our nourishment. May our hearts of service be also blessed. Amen.

District of Florida Club of the Year 2015-16

Kiwanis Club of St. Petersburg

Jean had a happy dollar for her grandbaby. Cicely Wulff was fined for never giving our Finemaster anything to fine her for. Elizabeth

Wulff had a happy dollar that she can be the program at today's meeting. Miss Dee Alston had a happy dollar because she is glowing - sparking rumors (made up completely by the Finemaster) that she is pregnant. Sharon Iacangelo had a happy dollar that Hurricane Dorian left. Bill Knowles paid a dollar to tell us a joke. Ed Lillich had a happy dollar for the Rays. Eric Crawford had a happy dollar he could make a lunch meeting for once. Ed Morris had a dollar because it's football season (we're not sure if this is a happy or sad dollar). George Wilsey had a happy dollar just because he's happy. Phil Miller-Evans had a happy dollar because he has five new members in his church. Jack Bowman had a dollar because he's spending money (again, not sure if it's a happy or a sad dollar). Vickie Waller told us a joke too. It was the best joke anyone has ever heard. Don Knowles had a happy dollar for our newsletter. It is flawlessly the best newsletter we ever had. Don Knowles also had a sad dollar because Lloyd Branch passed.

Come swing a hammer,
 splash some paint,
 supervise Dave Morris.

All hands on deck tomorrow.

This Friday falls on the 13th of the month and, for some, it will also be a full “Harvest” moon. While that doesn’t mean anything scientifically, it is a perfect storm for the superstitious.

The Harvest Moon is the full moon closest to the autumnal equinox. It has been calculated that to have a full Moon occur on the 13th day of a particular month, and for that day to be a Friday, it is (on average) a once in 20-year occurrence!
