(If known)

What are your hopes and aspirations for the future?

5. Serving the Community and the World

Kiwanis attempts to build leadership by providing the means to develop planning and organizational skills through Key Clubs (and Circle K at the college level) which can be applied to community service projects. What life values have you learned from performing community service?

Kiwanis is an organization of volunteers dedicated to improving the world one community and one child at a time. What good can one simple service project do to improve a community?

Key Club is a high school based service club. Kiwanis also sponsors Circle K clubs at the college level. As a bonus to this scholarship, if the selected scholar attends a college or university with an active Circle K club, The Kiwanis Club of Sunshine City will pay the scholars dues for membership in that club for up to 4 years. This scholarship is not automatically renewed. Renewal requires the scholar to maintain contact with the Sunshine City Kiwanis Club and give a short address of their academic progress at a free luncheon between school years. The scholar must maintain a 2.5 or greater GPA.
